

A woman is lying down with her eyes closed, appearing to be in a state of relaxation or meditation. Over her head, there is a visualization of a magnetic field represented by colorful, flowing lines in shades of purple, blue, and pink. A graphic of a horseshoe magnet, with a blue left pole and a red right pole, is positioned above her head. Two red lightning bolts are shown at the base of the magnet's poles, pointing towards the woman's head. The background is a soft-focus indoor setting with a plant visible on the right.
